Regular (and treasured) guests to the Hotel will probably remember that we used to use the advertising phrase that we were “A family hotel run for families by a family” and of course it very definitely still is. Just come and visit us during summer school holiday periods for positive evidence!

However, there have been some changes which we hope have been virtually seamless over the last few years. Gerry and Geoff the ‘seniors’ of the Rogers family (not that they like to use that title) have ‘eased out,’ ‘been kicked upstairs’ or ‘relinquished control’ all phrases that have been used to describe their current situation, none of them totally accurate, but we are sure you get the idea.

Mark the eldest son is now the principal decision maker and managing director, and he is assisted by Louise as the Front of House Manager. Simon, Vicky and Suzy are all still fully involved in the Hotel one way or another, as is Louise’s husband Gary, and their children Kerri and Lauren. Other Grandchildren, of the non-working variety, are Olivia, William and Nate and Great Grandchildren Hamish and Tilly.

One quick little thought - this Christmas brochure started we believe in 1951 and was invariably written or pulled together by Geoff, but this year’s “Tell em, everything” version for 2023 was assembled by Grand-daughter Kerri aided by Sarah and her Reception team and Gary (a different one) our head chef.

Gerry still selects, wraps, labels and allocates all the Santa gifts for all the resident Christmas guests, the staff and the families (over 200 in total). **We told you it still is very much a family concern!**
