

# *Langstone Special Entertainment Weekend*

*Friday 1st - Sunday 3rd November 2024*

*We would like you to join us for a weekend full of friendly faces, laughter, good food and drink! Some of our 'Regular' guests have visited us more than 100 times and made many friends amongst other guests, staff and The Rogers family.*

*We love to welcome them again and again, but this weekend is open to all guests and is hopefully the start of new friendships and repeat visits. Like our other 'Special Weekends' we have live entertainment every evening and this weekend there are a few extra perks including a Buffet Lunch, Afternoon Tea and Cakes and Pre-Dinner Drinks, there really is no better welcome to the 'Langstone Family'.*

Along with the many fans who mourn the loss of Freddie Mercury, The Freddie and Queen Experience, aim to celebrate the wealth of talent that came together in Queen by recreating, with breath taking accuracy, the style and excitement of a LIVE Queen concert, which sadly, will never be seen with Freddie Mercury again.

The Freddie and Queen Experience are the UK's Premier Queen and Freddie Mercury Tribute Band who are internationally and critically acclaimed.

The band performs all over the world with sell out shows in the UK and abroad, with most recently in UAE and Europe. They deliver a passionate and energy packed show full of all Queen's greatest hits!

Ian as Freddie Mercury replicates Freddie Mercury's live shows with the looks, mannerisms, vocals, charisma, passion, high energy and showmanship that Freddie was so loved, adored and famous for. The band is made up of some of the finest musicians in UK, including the well established and accomplished professional Brian May Tribute Andy Wills.

The fully live 5 piece band perform with replica outfits, instruments and perform a full recreation of Queen's Live shows, based around Queen at there very best, the 86 'Magic tour'. It's simply a great show not to missed!
