

Summer Jazz Weekend 2025 Friday 27th June - Sunday 29th June

This is the 24th Summer Jazz Weekend. Once again it is being hosted “Live at the Langstone” by Jeremy Huggett. Jeremy presents the pick of the UK Jazz scene for your entertainment over this value packed weekend.

DIXIEMIX JAZZ BAND

DixieMix was formed in 2006 and celebrated their 17th anniversary in November 2023

DixieMix Jazz Band, led by Simon Nelson on trumpet and flugel horn rapidly established itself as one of the UK's most engaging and hard working jazz ensembles.

The band brings together the best jazz musicians in the south east. Their talent, knowledge and enthusiasm for traditional jazz combines with ease to provide outstanding entertainment for all occasions. With the emphasis always on first class music mixed with great humour, this band never fails to provide a top quality performance. The band is a professional six piece excelling with fresh arrangements of many jazz favourites old and new and all with the DixieMix twist. Our enthusiastic approach has helped the band gain national recognition, leading to a tour with Rod Stewart, TV appearances and multiple festival and theatre gigs.

AN OSCAR FOR ELLA

When Oscar Peterson and Ella Fitzgerald first met for 'Jazz at the Philharmonic' they found they were a natural pairing, and a legend was born. Oscar and Ella worked together from the 1950's to 1980's, recording many times and performing many concerts together.

“Sophisticated, stylish vocalist” Jazz Journal Craig Milverton is Britain's nearest to Oscar Peterson and the best to come along in the last 20 years”- Digby Fairweather.

“Milverton reveals how much he is absorbed Oscar's voluminous spirit full frontal jazz.... melodious, inventive, and swinging” – London Jazz News. The quality of Joanna's live work is reflected by the stellar list of artistes she has supported including Van Morrison, Tom Jones, Jamie Cullum, Roy Hargrove, and The Buena Vista Social Club. Joanna's homage to Ella received a standing ovation from John Hasse, Ella's own curator at the Smithsonian. Multi-British-Jazz-Award-Winning pianist Craig Milverton is very much in demand, with his virtuoso ability and comprehensive knowledge of the entire jazz spectrum.

spread the joy.

THE JAKE LEG JUG BAND WITH JEREMY HUGGETT

The Jake Leg Jug Band bring you the authentic sounds of 1920's and 30's America - jazz, blues, ragtime and gospel. Songs of murder, betrayal, gambling, liquor and redemption.

After self-releasing their debut album Cotton Mouth, the band signed to one of the UK's most prestigious Jazz labels, recording three albums as part of the 'Vintage Recording Project', recording live around ribbon microphones, as it would have been back in the 1930's. 'Next Stop!' 'Everythin's Jake' and 'Break a Leg' all met with rave reviews; “A masterpiece of nostalgic music. The band display real virtuosity and create a wonderful sound that will be hard for any other band to repeat” Folk North West
