## Introduction

This menu planner includes a selection of popular banquet menus, a DIY menu planner, buffet suggestions, ideas for less formal occasions, some thoughts for weddings and a host of further information.

We cannot emphasize too much that all the contents of this brochure are totally adaptable.

We are striving to make your Special Event just that!

If the suggestions offered here suit you as they are – that is fine. If you would like to mix and match or offer thoughts of your own, we shall be only too pleased to give a quotation.

## Choice Without Pre-Selection

It is a rare phenomenon to be offered a choice of menu at a banquet or reception. It is even rarer to be offered such a facility **without** pre-selection by the individual guests (which is extremely time consuming and onerous for the hosts and or organisers) for parties of 25 or more, for parties of less than 25 we can offer the house menu or we would ask you to pre-select.

At the Langstone Cliff Hotel we have been offering this choice without the need for pre-selection for many years now, with great success and with a very high percentage of events that return to the hotel month after month, year after year.

The meals offered on the following pages are all examples of menus available with this convenience.

## Reduced Pricing For Midweek events!!

We believe that all the services that we offer at the hotel offer excellent value for money. The Dinner menus, numbers 1 – 4, are priced for Weekend events.

For Sunday to Thursday **Evening** events we are pleased to offer a reduction of **10.00%** on these menus.

For **Lunchtime** events, Monday to Thursday the same menus are offered with a whopping **15%** reduction.

# SAMPLE LUNCH OR DINNER MENUS

# MENU PLANNER

On this and the following three pages appears a list of separately priced items from which organisers may compile their own menus should they so wish.

This should **NOT** be confused with an à La Carte menu where a selection of this nature is presented to individual guests, but is for pre-selection by the hosts or organising body for a group of guests.

The list is far from comprehensive, it is intended as a guide to prices.

Many dishes can be sauced and garnished in a variety of styles. If you have a favourite method of presentation, or would welcome a more imaginative approach we shall be very pleased to discuss your requirements.

Balloons can add dramatic effects to your reception presentation.

Costs vary with the complexity of the design.

## Master of Ceremonies or Toastmaster

A professional Toastmaster is **highly recommended** (fees depend on times and amount of service required). He or she would act as a Master of Ceremonies from the arrival of the first guests, liaising with the registrar (for civil ceremonies at the hotel) and hotel management, greeting the Bride and Groom, aiding the best man and photographer, as required, formally announce guests and speeches, advise on procedure and etiquette and generally assist the smooth flow of both ceremony and reception.

Alternatively a member of the hotel management team can assist the best man with the master of ceremonies duties. This service is included for all Weddings presented at the hotel.

## CHILDREN AT WEDDING RECEPCIONS

Children under 12 years of age are charged at half price, toddlers under 3 years of age are free of charge. (High chairs are available if required)

## CIVIL CEREMONIES

The hotel is approved for Civil Marriages.

A room hire charge is made for the room where the ceremony is presented.

| Washington Ballroom      | £450.00 |
| Lincoln Ballroom         | £400.00 |

*Please note these charges do not include the Registrar's Fees.*

# ENTERTAINMENT

If you plan to entertain your guests, we can help with advice, suggestions and make the booking for you if you wish. Bands and disco's provide most of the entertainment at the hotel, but we also book cabaret, after-dinner speaker, novelty acts and so on. We have contacts with many local performers and use reputable agents to source anything we might be asked for. The following is intended as a guide.

## LIVE MUSIC

There is certainly something about 'live' music that somehow 'lifts' the occasion. Prices vary enormously, according to the popularity of the act, the amount of musicians involved, the length of time they are required to play, and the finishing time. For budgeting purposes the charges for local musical acts would usually not be less than £200.00 per performer, for a midnight finish. The better known the band, the more expensive they will be.

## DISCO

We can offer different sized units to suit varying party sizes and venues within the hotel. The disc jockeys are always well presented, experienced entertainers who rapidly ascertain their audience's requirements and carry an enormous range of music to ensure they cater for the party of the day.

## FEES

12.00 midnight finish      from £460.00

## OCCASIONAL MUSIC

The correct "occasional music" at a reception or through dinner can often add dramatically to the ambience of the occasion and the overall enjoyment of the guests. Piano or keyboard players, classical guitar, jazz piano or groups, harp and so on, whatever your preference we can help.

For the Washington or Lincoln Ballroom we can sometimes offer our superb Black Mini-Grand Roland Digital Piano with or without Pianist!

## CABARET & AFTER DINNER SPEAKERS

Cabaret and Speakers are as varied in style and content as they are in price. Local vocalists, musicians and comedians will expect fees of from around £400.00. Named attractions get into the thousands and mega stars will not perform at the Langstone Cliff! We have many years of experience of booking cabaret and will give totally honest guidance.

## CHILDREN'S ENTERTAINERS

A huge range available - Face Painters, Balloon Artists, Magicians, Clowns, Circus Skill Performers, Musical Acts, Discos. Expect to pay from about £200.00

**We can not emphasise too much, the prices above are for guidance only and can vary during the life of the brochure or for special occasions, Bank Holidays and so on.**

# CHECKLIST

To ensure that your “Special Event” goes according to your wishes we prepare a detailed worksheet which is distributed to the various departments of the hotel. We thought it may be helpful for you to know just what we need to know before we ask the questions!
