The fully licensed Lincoln Bar has a wide range of draught beers, lagers and ciders, wine by the glass, cocktails and soft drinks. Boasting a warm, cosy fireplace, this is the perfect place for a pre-dinner drink. We also offer a selection of hot drinks including fruit teas, hot chocolate and Italian espresso coffees.

The Lounge, Drawing Room and Verandah Room are three interconnecting rooms overlooking spectacular sea views across the hotel lawns towards the Exe Estuary and English Channel. With photographs of the grounds and local area they are the perfect place to sit back and relax.

The Indoor Swimming Pool is approximately 10 metres long by 6 metres wide and is approximately 1 metre at the shallow end falling to approximately 1.5 metres at the deep end. Lincon Ballroom

In January 2011 the Lincoln Restaurant and Ballroom had the sprung strip maple dance floor extended to almost double its previous size, sanded, resealed and refurbished.

The Lincoln dance floor is now 13 metres (42'8") long x 5.40 metres (17'9" wide or 70.20 square metres.

The Orchid room and the alcove (where the carvery is situated when needed) are unaffected by this excellent improvement. This now enables the Lincoln Complex to seat approximately 100 guests without encroaching on the dance floor. If the dance floor is included, the room is now capable of dining up to 200 guests, but of course does not lose the warm atmosphere it has always had for smaller numbers.

Tel 01626 868000

Washington Ballroom

The Washington Ballroom is approximately 18.3 metres (67') x 18.3 metres (60') over all with both an attached lounge bar and conservatory and contains an inset sprung maple floor, which is 14.5 metres (48') x 11.0 metres (36').

The Ballroom and Bar are fully air conditioned, the attached conservatory has windows enjoying magnificent sea views. The ballroom may be blacked out if required and contains controls for the fully variable lighting.

The stage Dimensions are approximately 7 metres (24') x 2.8m (9') and may be extended using portable stage units if required.
