Travelers' Choice 2026

This is the 26th Summer Jazz Weekend.

This year it is being hosted "Live at the Langstone" by Kevin Grenfell.

KEVIN GRENFELL

Kevin started his musical career as a boy with the Cornwall Youth Orchestra and brass bands in Cornwall.

With this firm grounding Kevin enlisted at the age of 18 as a musician in the Queen's Own Hussars, Royal Amoured Corps and studied for 2 years at The Royal Military School of Music. On completion he returned to the QOH as principal trombone and featured soloist, which involved extensive touring and concert engagements all over Europe.

After leaving the army Kevin spent several years free-lancing in London before returning to the South-West for further study at the Dartington College of Arts where he obtained a B.A. in Music and the Performing Arts.

Since that time, Kevin has become well-established and respected as both a trombonist and a vocalist in the UK and tours extensively across Europe with a wide variety of ensembles. Kevin has worked with many household names, including Ken Dodd, Les Dawson, Keith Allen, and Jamie Cullum.

This year, Kevin will be performing and touring with the world-class Paul Harrison band in Denmark and Scandinavia, as well as at most of the major festivals in the UK, including Upton, Swanage, and the list goes on.

VIC PARTRIDGE JAZZ BAND

The Vic Partridge Jazz Band from Wales plays an exciting mix of Traditional and Dixieland Jazz. The slightly unusual line up of trumpet, clarinet/ saxophone, banjo/ guitar, piano, drums and double bass gives this band a unique sound with a very strong rhythm. Featuring some of the UK's top jazz exponents. The band has received excellent reviews.

LA VIE EN ROSE GYPSY JAZZ

The south-west's favourite gypsy jazz and hot swing band has a well-earned reputation for its take on the 'Hot Club' style. Toe-tapping rhythms and soaring melodies combine

in a virtuoso performance of gypsy favourites, jazz standards, soulful ballads and latin swing, all played with the verve and joy that is the heart of this music.

KEVIN GRENFELL & RICHARD LEACH SLIDE BY SLIDE

Formed in 2009, Slide by Slide was the brainchild of Kevin Grenfell. Kevin feels there is a place for this type of high quality entertainment on the jazz club and festival circuit, which seems to be the case as Slide by Slide was nominated "Best Festival Newcomer" to celebrate its first appearance in 2011 at Marlborough Jazz and Blues Festival.

The texture and timbre of Kevin Grenfell and Richard Leach's individual playing styles give their repertoire a depth and tone that's sure to please, with titles ranging from the traditional songbook through to the contemporary.

As well as playing a great variety of music, Kevin sometimes adds to the variety by exchanging his trombone for his trumpet. Kevin also has great sense of humour which enables the band to generate a great rapport with the audience.
